- Minutes
 - Minutes from last meeting approved
- Data
 - Reading assessments were discussed (use of Heggerty, Foundations & Acadians)
 - Also quick discussion of Orton-Gillingham and Speyer as supplementary assessments
 - Discussion of Math and updates on District 3 decisions regarding the future math curriculum. Impressions were:
 - Illustrative Maths have engagement
 - Amplify has major digital elements. Overall there was an impression that it was confusing
 - iReady was described as potentially combining good elements of the other two.
 - Decision at District level has been pushed to January from December.
 - Elementary schools are due to change the curriculum. For background, Middle Schools were changed to Illustrative Math.
 - “Everyday Math” is also used (already in place at PS 199)
- Quick review President’s Council
 - President’s council - the focus was a presentation on math
- Professional Learning
 - Foundations training was completed.
 - New teachers are covering Wit and Wisdom.
 - Next step will be math.
- Subcommittees
 - SLT members complete a survey to join a subcommittee
 - Teachers will discuss homework help on Nov 14, 2025
 - Other speakers will take place throughout the school year
- Safety
 - Light fixtures are getting renovated
 - Library ceiling renovation has been requested.
